

Structural Engineer

Entry Level

We're looking for problem solvers

Calibre is looking for bright minds to help us solve engineering problems on a variety of project types across the country. We are looking for structural engineers who love to engineer and who strive to learn and advance.

In this entry level position, you'll work on a variety of assignments designed to help you develop your professional knowledge related to the construction, design, and maintenance of load-bearing structures.

Applicants should be self-motivated, willing to learn, inquisitive, and bring a positive professional attitude. We are looking to expand our team with the right hire that will fit into our culture, vision, and diversified portfolio.

You'll thrive in this position if you're passionate about:

- ✓ Designing the world around you.
- ✓ Collaborating.
- ✓ Serving the community.
- ✓ Engineering for the future.
- ✓ Sustainability.
- ✓ Building connections.
- ✓ Diverse and meaningful project work.
- ✓ Loving where you work.

Our culture is focused on team-building and professional growth. It is important to us that our employees feel like members of the Calibre family. We offer great benefits, employee-focused growth and development, and an open-door policy for our continued maturation as a company.

Required Skills

- ✓ 0-2 years of experience
- ✓ Entry level proficiency with AutoCAD or Revit
- ✓ BS, MS, or MEng in Structural Engineering from an ABET accredited program
- ✓ Completion of or working toward Fundamentals of Engineering Exams (FE)
- ✓ Intermediate proficiency with Microsoft Office products, particularly Excel and Word

Calibre Perks

- ✓ Generous Salaries & PTO
- ✓ 100% Employer-Paid Health Insurance
- ✓ Diverse Project Workload
- ✓ Monthly Team-Building Events
- ✓ Birthdays your Way
- ✓ Snacks, Drinks & Weekly Catered Lunches
- ✓ 401K Contributions
- ✓ Tuition Reimbursement
- ✓ Flexible and Remote Work
- ✓ Transit Reimbursement
- ✓ Calibre Swag Store
- ✓ Health & Wellness Program
- ✓ Licensure Reimbursement
- ✓ Mentor Protégé Program
- ✓ Active Living Stipend
- ✓ Paid Weekly Training
- ✓ Paid Time Off to Vote
- ✓ Short-Term and Long-Term Disability
- ✓ Company-Paid FMLI Coverage

We work half-day Fridays!

Estimated Pay Scale

\$60,000 - \$74,000

dependent on experience and degree.
